

This month's special promotion
and our amazing Fifth Wheeler Clearance Sale on Page 2

Valentine specials guys will love

FREE accessories, valued at \$2,200 with every new Silverado sold in February & March 2012 *

You will LOVE the ultimate in trucks

The Silverado is the most powerful diesel 4 x 4 ever built. The ultimate work and towing vehicle, with extraordinary comfort features and economy as easy to drive as a car. Whether you work in the mine (ROPS approved), are a prime producer, have a boat, horse float or the largest of caravans you wish to tow with the greatest of ease, or you just want the best truck there is for the sake of it, purchase or order your new Silverado between February and March and secure great savings.

* Performax will provide free side steps and a tow bar, fitted, with every new Silverado purchased in Feb & Mar 2012. Retail customers only.

Lee Holdsworth, Russell Ingall and Jamie Whincup give Performax International their seal of approval

"We love driving Performax vehicles!"

Win a fabulous LA holiday

Are you planning to or are you currently importing a vehicle from the US? Talk to us first.

As the leading RHD conversion specialist in Australia with a proven track record of delivering OEM comparable vehicles, you don't really need any other reason to talk to us, but we're going to give you one anyway!

Be one of the first 25 people to book your vehicle conversion with us between February and March and you automatically go into the draw to win a fabulous LA holiday.*

The prize includes Economy flights to LA from any State capital airport, 7 days/6 nights accommodation for two and \$1000 spending money.

For complete details and terms and conditions of all our special offers, please contact sales@performaxint.com.au

* Retail customers only
